If the price quoted by Vendor includes an additional charge for delivery from point to origin, Vendor shall show such delivery charge on the invoice as a separate item and such charge shall not be subject to California State Sales/Use Tax. No additional charge for transportation, containers, packing, etc. will be allowed unless so specified in the P.O.

Upon such delivery, title shall pass from Vendor to SunLine and Vendor's responsibility for losses or damage shall cease, except for loss or damage occurring prior to or upon delivery, or loss or damage resulting from Vendor's negligence or intentional acts. Passing of title upon such delivery shall not constitute acceptance of the goods and services by SunLine.

7. MODIFICATIONS. Vendor shall not make any alterations or change to the P.O. in any fashion without prior written authorization from SunLine.

Such repair or replacement shall occur within a reasonable time frame and to the satisfaction of SunLine. Vendor agrees that by acceptance of this warranty and acceptance of the goods provided by Vendor, SunLine does not waive any warranty, either expressed or implied in Sections 2312-2317, inclusive, of the Commercial Code of the State of California or of the United States.
9. FEDERAL, STATE AND LOCAL LAWS. All goods or services furnished pursuant to the P.O. shall comply with all applicable federal, state and local laws and regulations.

Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this P.O.. The Vendor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Vendor agrees to comply with any implementing requirements FTA may issue.

Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § § 623 and Federal transit law at 49 U.S.C. § 5332, the Vendor agrees to refrain from discrimination against present and prospective employees for reason of age. The national goal for participation of Disadvantaged Business Enterprises (DBE) is 10%. The SunLine's overall goal for DBE participation is 8%.
 - ii. The Vendor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this P.O. The Vendor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this FTA-assisted contract. Failure by the Vendor to carry out these requirements is a material breach of this P.O., which may result in the termination of this P.O. or such other remedy as SunLine deems appropriate. Each subcontract the contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).
 - iii. Vendor will be required to report its DBE participation obtained through race-neutral means throughout the period of performance of this P.O.
 - iv. The Vendor must promptly notify SunLine whenever a DBE subcontractor performing work related to this P.O. is terminated or fails to complete its work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. The Vendor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of SunLine.

Vendor's failure to so comply shall constitute a material breach of the P.O.
- g. No Obligation By The Federal Government
- i. The SunLine and Vendor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the P.O., absent the express written consent by the Federal Government, the Federal Government is not a party to this P.O. and shall not be subject to any obligations or liabilities to the SunLine, Vendor, or any other party (whether or not a party to the P.O.) pertaining to any matter resulting from the P.O.
 - ii. The Vendor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except

Part 31, apply to its actions pertaining to this Project. Upon execution of the P.O., the Vendor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the P.O. or the FTA assisted project for which any services are being performed. In addition to other penalties that may be applicable, the Vendor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Vendor to the extent the Federal Government deems appropriate.

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into.  2. The Bidder shall provide immediate written notice to SunLine if at any time the Bidder learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
